Engine Standard

2x Volvo Penta D4-320 approx. TBC knots*

Engine Option

2x Volvo Penta D6-440 approx. 42 knots*

*All performance figures are given in good faith and are intended as an indication. Max. speed allowed: 45 knots - Cat D sea state. These figures cannot be guaranteed as top speed in particular is affected by the cleanliness of the hull, conditions of the propellers, weight carried and air/sea temperature. Performance is related also to the optional accessories selected. "TBC" stays for: To Be Confirmed. FJORD reserves the right to change specifications in line with the company policy of improvement through research and development. Standard Propeller tested in Greifswald according to Volvo conditions. All measurements/figures approximate. Errors and omissions excepted. Specification and material can be changed without notice. Please check with your dealer for a full list of inclusions. Valid from 2025.04.04
